

I See the Light

All those

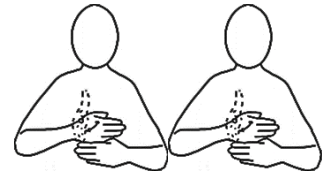

days

watching

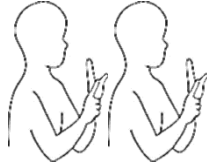

from

the windows

All those

years

outside

looking

in

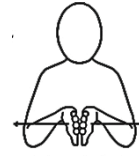

All those

time

never

even

knowing

Just

how

blind

I've

been

Now

I'm

here

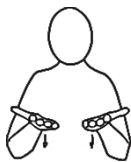

blinking

in the starlight

I see

Now

I'm

here

suddenly

I

see

Standing

here it's

all

so clear

I'm

where

I'm

meant

to be

And

at last

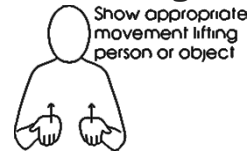

I

see

the light

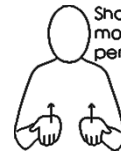

And

it's like

the fog

has lifted

And

at last

I

see

the light

And

it's like

the sky

is new

And

it's warm

and

real

and

bright

And

the world

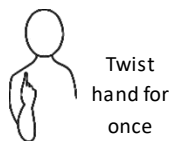

has somehow

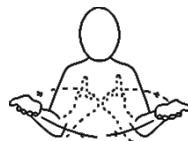

shifted

All

at once

everything

looks

different

Now

that I

see

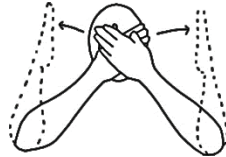

you

INSTRUMENTAL (wait for crescendo)

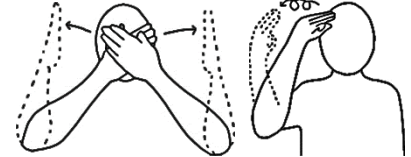

All those

days

chasing down

a daydream

Circling closed hands overlap in alternating movement

All those

years

living

in a blur

Hand strikes f'm deliberately

All that

time

Tap twice

never

truly

seeing

Things,

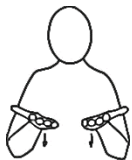

the way

they

were

Now

she's

here

shining

Index finger flicks up from right fist as it moves sharply up from behind left hand

in the starlight

Sign of nc

Show several stars

Now

she's

here

suddenly

I

know

If she's

here it's

crystal

clear

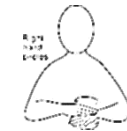

I'm

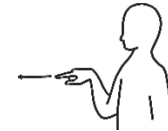

where

I'm

meant

to go

And

at last

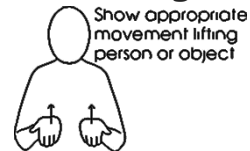

I

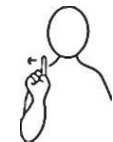

see

the light

has lifted

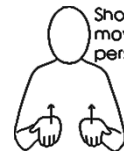

And

it's like

the fog

And

at last

I

see

the light

And

it's like

the sky

is new

And

it's warm

and

real

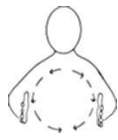

and

bright

And

the world

has somehow

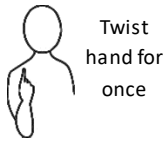

shifted

Hands move
same way at
same time

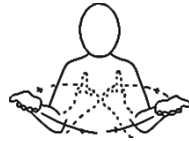

BRIEF INSTRUMENTAL PAUSE

All

at once

everything

looks

different

Now

that I

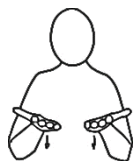

see

you

INSTRUMENTAL

Now

that I

see

you
