

# Can You Feel the Love Tonight

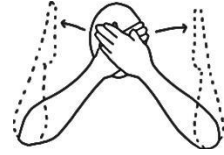

There's a calm

surrender,

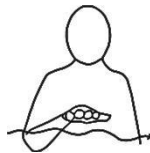

to the rush

of day

When the heat

of a rolling wave

can be turned away

An enchanted

moment,

and it sees

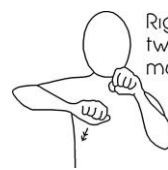

me through

It's enough

for this restless

warrior

Just

to be with

you

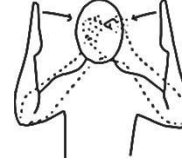

And can you

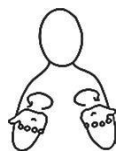

feel

the love

tonight?

It is where

we are

It's enough

Index fingers and thumbs spring apart

for this wide-eyed

wanderer

Two fingers journey forwards (or appropriate direction across stage)

That we've got this far

And can you

Middle finger moves up centre of chest

feel

the love

tonight?

How it's

Movement should be gradual and gentle

laid to rest?

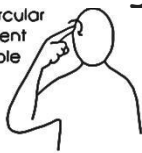

Stroke beard

Hands moves down slightly

It's enough

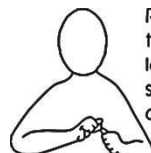

Small circular movement on temple

to make kings

Hand strikes palm deliberately

Believe

Right thumb tip brushes left thumb tip sharply forward and up

and vagabonds

the very best

Tap twice

There's a time for

everyone

If they only learn, that the twisting kaleidoscope

Middle finger moves up centre of chest

Moves us

all in turn

There's a rhyme

and reason

to the wild

outdoors

When the heart of this star-crossed

Sign one star only

voyager

Hand moves forward, twisting slightly, fingers flexing

Beats in time

with yours

And can you

Middle finger moves up centre of chest

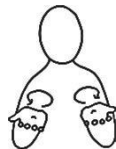

feel

the love

tonight?

It is where

we are

It's enough

Index fingers and thumbs spring apart

for this wide-eyed

wanderer

Two fingers journey forwards (or appropriate direction across stage)

That we've got this far

And can you

Middle finger moves up centre of chest

feel

the love
