

Count on Me by Bruno Mars

If you ever

find yourself

stuck in the middle

of the sea,

Small twist at wrist as formation moves left

I'll sail

the world

to find you

If you ever

find yourself

lost

Make sharp movement to cover eyes

in the dark

and you

can't

see,

I'll be

the light

to guide

you

Find out

what

we're made of

Small downward movement twice

When we are called to help our friends in need

Hand strikes palm deliberately. Repeat reversing hands

You can count on me like one two three

I'll be there

With flat palm, thumb on side of chest, hand moves down then forward. Repeat for needs

And I know when I need it

Hand strikes palm deliberately. Repeat reversing hands

I can count on you like four three two

You'll be there

Small downward movement twice

'Cause that's what friends are supposed to do,

oh yeah,

oh,

oh,

yeah,

yeah

If you

tossin' and you're turnin'

and you

just can't

fall asleep

I'll

sing

a song,

beside you

And if you ever

forget

how much you really mean to me

Everyday

I will,

remind you

Find out

what

we're made of

Small downward movement twice

When we are called to help our friends in need

Hand strikes palm deliberately. Repeat reversing hands

You can

count on

me

like

one two three

I'll

With flat palm, thumb on side of chest, hand moves down then forward. Repeat for needs

And I

know

when

I need it

Hand strikes palm deliberately. Repeat reversing hands

I can

count on

you

four three two

You'll

be there

Small downward movement twice

'Cause that's what

friends

are supposed to do,

oh yeah,

oh,

oh,

yeah,

yeah

You'll

always

have my shoulder

Touch opposite shoulder

when you cry

I'll

never

let

go

Never

say goodbye

You

know

you

can

Hand strikes palm deliberately. Repeat reversing hands

Count on

me

like

one two three

I'll

be there
