

Only You by Little Mix and Cheat Codes

Dancing with your silhouette in the places that we met

Ooh, try'na find you in the moon

Paris never feels the same,

when the streets all call your name

Ooh, so I hide in crowded rooms

And I'll follow right down the river

Where

the ocean

meets

the sky

To

you,

to

you

Once

upon a time

we

had it

all

Thumb rubs fingertips from small finger to index

Somewhere

down the line

we went

and lost it

One brick at a time

we

watched

it fall

I'm

broken

here

tonight

and

darling,

no one else

can

fix

me

Only

you,

only

you

+

Hand moves down slightly

And

no one else

can

fix

me

Only

you,

only

you,

only

you

+

Hand moves down slightly

And

no one else

can

fix

me

Only

you,

oh

(Instrumental)

Only

you

(Instrumental)

Mime releasing someone's hand

Index and middle fingers step down and outwards

Did I let go of your hand for a castle made of sand

Ooh, that fell into the blue

Both hands move forward, right remaining behind left

I went following the sun,

Facial expression

Formation moves forward and circles round back to body

to be alone with everyone

Move sign as though searching round

Ooh, looking 'round a crowded room

Both hands move forward, right remaining behind left

And I'll follow right down the river

Where the ocean meets the sky

To

you,

to

you

Once

upon a time

we

had it

all

(we had it all, mmmm)

Thumb rubs fingertips from small finger to index

Somewhere

down the line

we went

and lost it

(we went and lost it)

One brick at a time

we

watched

it fall

(fall)

I'm

broken

here

tonight

and

darling,

no one else

can

fix

me

Only

you,

only

you

(yeah)

And

no one else

can

fix

me

Only

you, (only you)

Only

you, (nobody else)

Only

you, (oh)

And

no one else

can

fix

me

only

you (oh)

(Instrumental)

Only

you,

(Falling, falling, falling, yeah)

Only

you, (only you)

Only

you, (only you)

And

no one else

can

fix

me

Only

you (only you)

Only

you, (only you)

Only

you, (only you)

And

no one else

can

fix

me

only

you
