

Reach for the Stars by S Club 7

When

the world,

leaves you

feeling blue

You can

count on

me,

I will

be there

for you

When it seems,

all your

hopes and

dreams

Are a million miles away,

I will

re-assure

you

We've got to

all

stick together

Good friends, there for each other

Never ever

forget that

I've got

you and

you've got

me, so

Reach for the stars

Climb

every

mountain higher

Reach for the stars

Follow your

heart's desire

Reach for the stars

And when that rainbow's shining over you

That's when your dreams will all come true

There's a place waiting just for you (waiting just for you)

It's a special place where your dreams all come true

Fly away (fly away)

Swim the ocean blue (swim the ocean blue)

Drive that

open road,

leave the

past behind you

Don't

stop

gotta keep moving

With two 'C' hands, move forward and to side together from left to right

Your hopes,

gotta keep building

Never

ever

forget that

I've got

you and

you've got

me, so

Reach for

the stars

Don't believe in all that you've been told

The sky's the limit you can reach your goal

No-one

knows just what

the future holds

There ain't

nothing

you can't be

There's a whole world

at your feet

I said
