the mighty

river flowing

from the stream

Let our love shine a light in every corner of our dreams

Indicate
all people
involved

And we're all

gonna

shine a light

together

All

shine a light to light

the way

Rub knuckles

Tap middle of
nose twice

Repeat for
more than one

Brothers

and sisters

in every

little

part

Finger tips
top together
twice

Let our love shine a light in every corner of our hearts

(INSTRUMENTAL)

Love shine a light in every

corner

of the world

Let the love light carry, let the love light carry

Two small forward strokes at corner of mouth

Light up the magic for every boy and girl

Let our love shine a light in every corner of the world

Indicate all people involved

And we're all gonna shine a light together

All shine a light to light the way

Repeat for more than one

Brothers and sisters in every little part

Finger tips tap together twice

Let our love shine a light in every corner of our hearts

And

we're

all

gonna

shine a light

together

All

shine a light to light

the way

Brothers

and

sisters

in every

little

part

Let our love shine a light in every corner of our hearts

Shine a light

in every

corner

of our hearts
