

# Shine by Take That

You, you're

such a big

star to me

You're

everything

I wanna be

But you're

stuck in a hole

Circling clawed hands overlap in alternating movement

and I

want

you to get out

With two 'C' hands, move forward and to side together from left to right

I

don't

know

what there is to see

But I

know

it's time

Tap twice

for you to leave

We're all just

With two 'C' hands, move forward and to side together from left to right

pushing along

Trying to

figure it out, out, out.

All your

anticipation

Flat hand palm down moves from chest downwards, shoulders drop

pulls you down

When you

can have

it all,

you can

have

it all

So come on,

so come on,

With two 'C' hands, move forward and to side together from left to right

get it on

I don't

know

what

you're waiting for

Your time is coming

Tap twice

don't

be late, hey hey

So come on,

see

the light

Index finger outlines face

on your face

Let it shine,

just let it shine,

let it shine

Stop (stop),

being so hard

Index finger remains in contact with chin as index finger pushes sharply up and down

on yourself

It's not

good

Hand brushes down chest twice

for your health#

I know that

Index fingers and thumbs spring apart

you

can change

So clear your head

and come around

Index fingers and thumbs spring apart

You only have to

open your eyes

Hands move forward with emphasis

You might just

get a big

Middle finger moves up centre of chest

surprise

And it may

feel

good

Facial expression

Facial expression

Facial expression

and you

might want to

smile, smile, smile

Oh don't you let

your demons

pull you down

'Cause you

can have

it all,

you

can have

it all

So come on,

oh come on,

get it on

I don't

know

what

you're waiting for

Your time is coming

don't

be late, hey hey

So come on,

see

the light

Index finger outlines face

on your face

Let it shine,

just let it shine,

let it shine

Hey (hey),

let me

know

you

(let me

know

ya)

You're

all that

matters

Small light slap on back of hand

to me

(you're

all that

matters

Small light slap on back of hand

to me)

Hey,

let me

show

you

(let me

show

ya)

You're

all that

matters

Small light slap on back of hand

to me

(you're

all that

matters

to me)

So come on,

get it on

With two 'C' hands, move forward and to side together from left to right

I don't

know

what

you're waiting for

Your time is coming

don't

be late, hey hey

So come on,

see

the light

on your face

Let it shine,

just let it shine,

let it shine

Hey,

let me

know

you

(let me

know

ya)

You're

all that

matters

Small light  
slap on back  
of hand

to me

(you're

all that

matters

Small light  
slap on back  
of hand

to me)

Hey,

let me

show

(let me

show

ya)

You're

all that

matters

Small light  
slap on back  
of hand

to me

(you're

all that

matters)
