

Summer Holiday by Cliff Richard

We're

all going on

a summer

holiday

No more

working

for a week

or two.

Hand making small shaking movements

Fun and laughter

on our summer

holiday,

Tense hand Use both hands if very worried

No more

worries

for me

or you

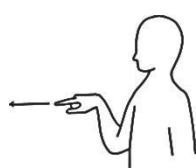

For a week

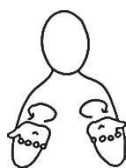

or two.

We're

going

where

the sun shines

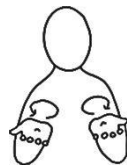

brightly

We're

going

where

the sea

is blue.

We've

seen it

Hands make alternate forward circling movement

on the movies,

Now let's

see if

Hand strikes palm deliberately

it's true.

Formation moves forward and circles round back to body

Everybody

has a summer

holiday

Doin'

things

they always

wanted to

So we're

going

on a summer

holiday,

To make

our dreams

Hand strikes palm deliberately

come true

For me

and you.

(INSTRUMENTAL)

We're going where the sun shines brightly

We're going where the sea is blue.

We've seen it on the movies,

Hands make alternate forward circling movement

Now let's see if it's true.

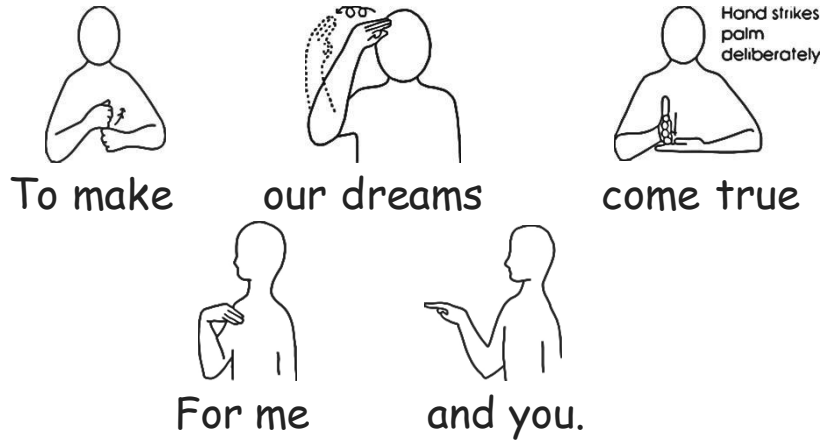

Hand strikes palm deliberately

Everybody has a summer holiday

Formation moves forward and circles round back to body

Doin' things they always wanted to

So we're going on a summer holiday,

(MMM's to the end of the music)
