

A Thousand Years

Heart beats

fast,

colours

and promises

How

to be brave

Flat hand moves slightly forward to GOOD hand

How can I

love

when I'm afraid

to fall

alone

Facial expression

But watching you

stand

All of my

doubt,

Tense hand Use both hands if very worried

suddenly

goes away somehow

One

step

closer

I have

died

Movement should be gradual and gentle

everyday,

waiting for you

Darling,

don't be

afraid,

I have

loved you

for a thousand

years

I'll

love

you

for a thousand

more

(BRIEF INSTRUMENTAL)

Time

Tap twice

stands still

Beauty

in all

she is,

I will be

brave

Flat hand moves slightly forward to GOOD hand

I

will not let

anything,

take away

What's

standing

in front

of me

Every

breath,

every

hour

has come to this

One

step

closer

I have

died

Movement should be gradual and gentle

everyday,

waiting for you

Darling,

don't be

afraid,

I have

loved you

for a thousand

years

I'll

love

you

for a thousand

more

And all along

I

Small circular movement on temple

believed,

I would

Hand strikes palm deliberately

find you

Time

has brought

your heart to me,

I have

loved you

for a thousand

years

I'll

love

you

for a thousand

more
