

Sensory

Santa

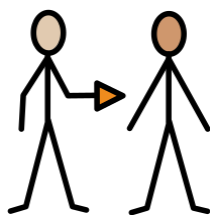

Experience

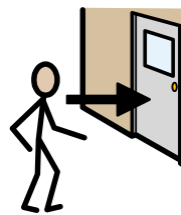

at The Omnibus Project

When

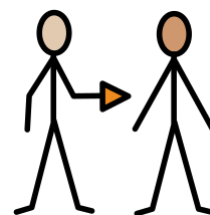

you

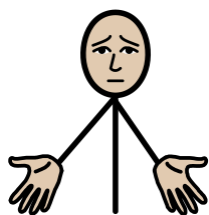

arrive

at The Omnibus Project,

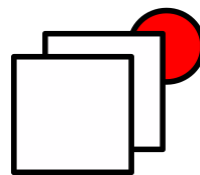

you

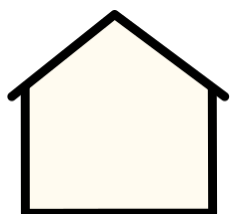

need to

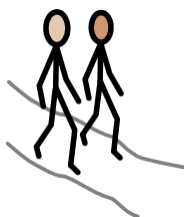

walk to

the back of

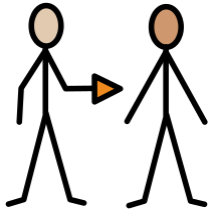

the building

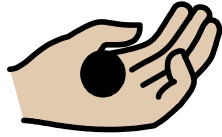

to get

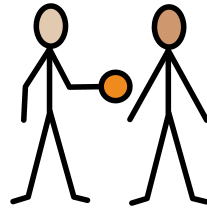

inside.

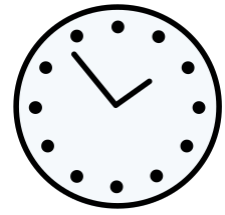

You

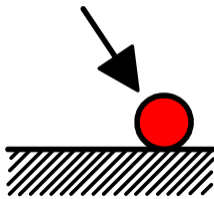

have

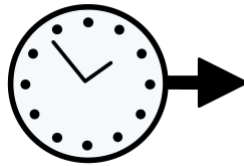

your own

session

so there

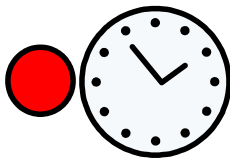

will

=

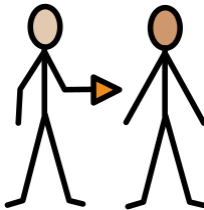

be

no one

before

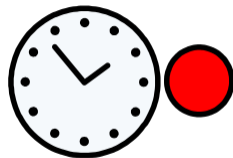

you

+

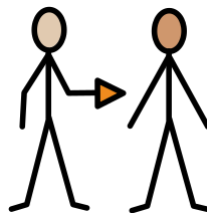

and

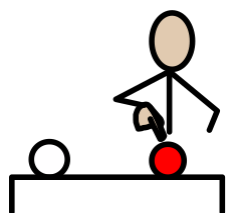

no one

after

you.

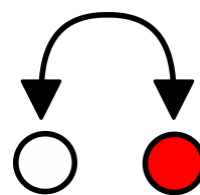

This

=

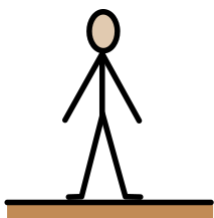

means

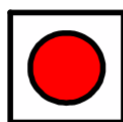

no waiting

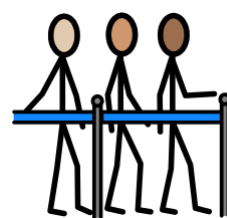

or

standing

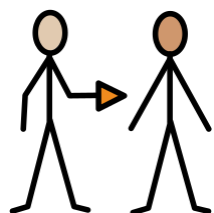

in

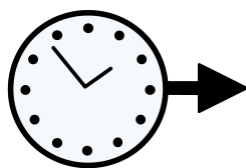

a queue

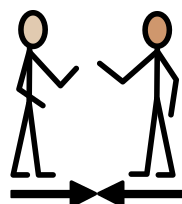

You

will

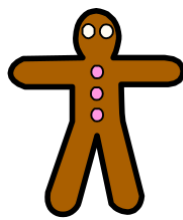

meet

1

one

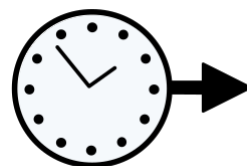

of Santa's

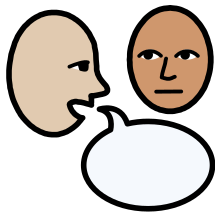

helpers

who

will

say

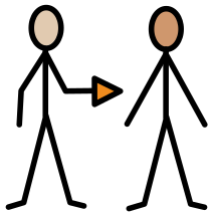

hello

+

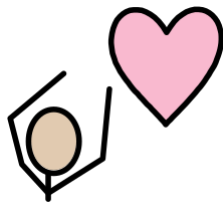

and

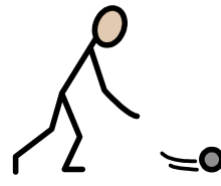

ask

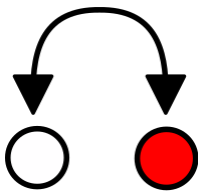

if you

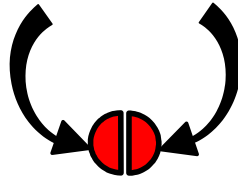

want to

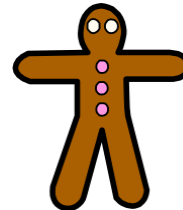

play any games

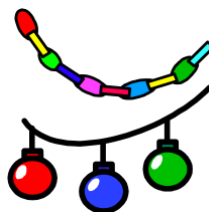

or

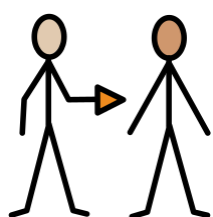

make a

gingerbread

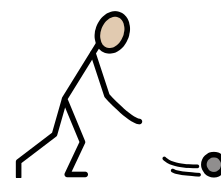

decoration.

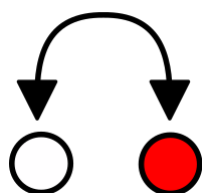

You

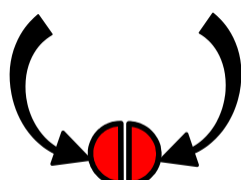

do not have to

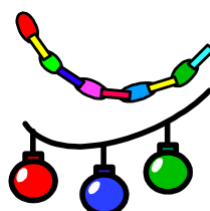

play games

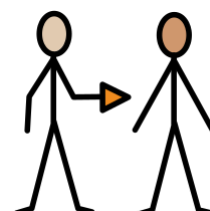

or

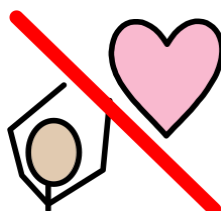

make a

decoration

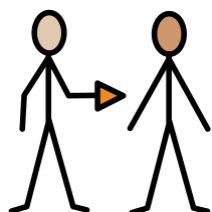

if you

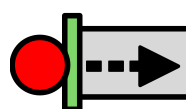

do not want to.

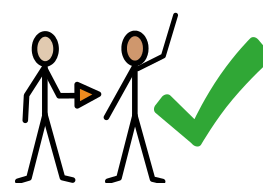

When

you are

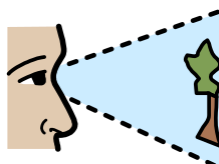

ready

you can

go to

see

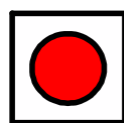

Santa

and

Mrs Christmas

in the

grotto.

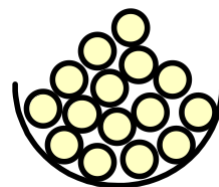

You can

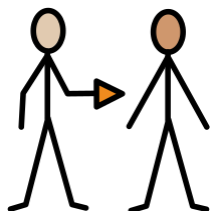

spend

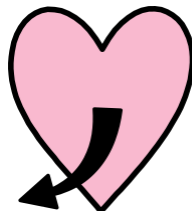

as much

time

as you

want

with

Santa.

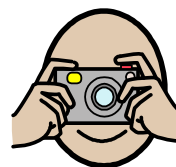

The people

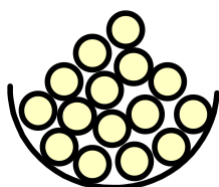

with

you can

take

lots of

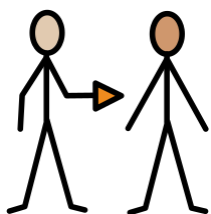

photos

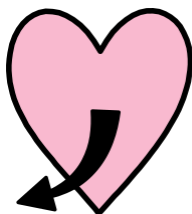

and

videos

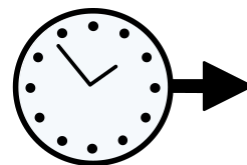

if you

want.

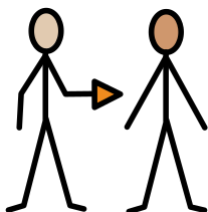

Santa

will

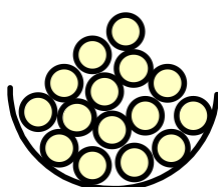

give

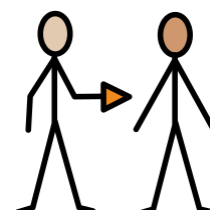

you

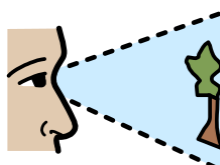

a gift

There are lots of of lights and

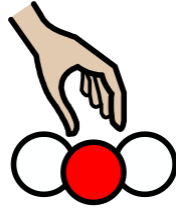

inflatable characters for you

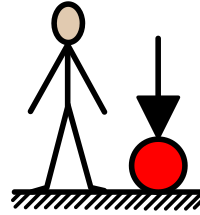

to see.

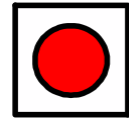

You can

choose

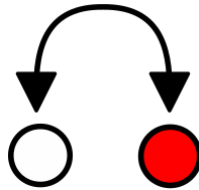

to stay

in the

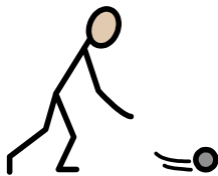

grotto

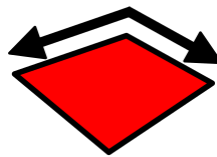

or

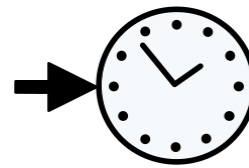

go back to

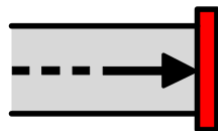

the games

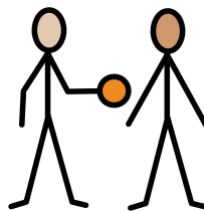

area

until

the end

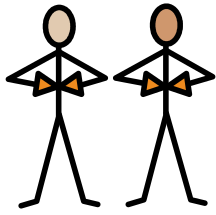

of your

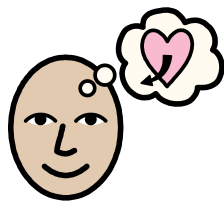

time.

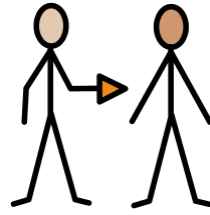

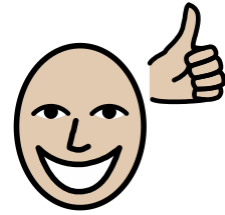

We

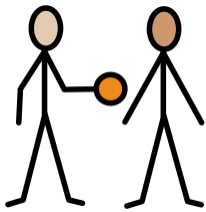

hope

you

enjoy

your

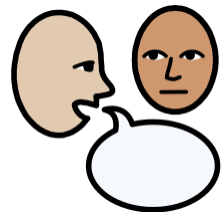

visit

—

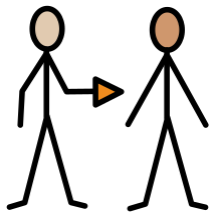

-

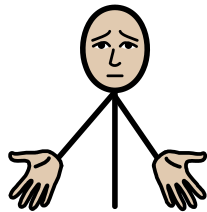

please

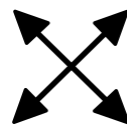

say

if you

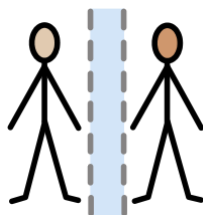

need

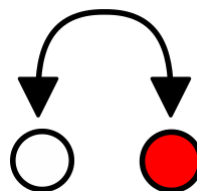

any

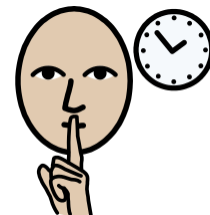

help,

personal space

or

quiet time
